## Sun Spray SPF 20

Protects your skin against sunburn  
and premature aging  
This sun spray contains a  
combination of highly effective UVA  
+ UVB broadband filters and Vitamin  
E for stimulating the skin's own  
repair properties

Avoid intense midday sun.  
Apply at least 20 minutes before sun  
exposure.  
Reapply frequently

**100 ml**  Produced by:
